VILLAGE NEWS

Edition 20. November 2014

Community Litter Pick

The village litter pick held on Saturday 18th October was successful. 15 black sacks of rubbish were collected!!!!

The turnout of volunteers was disappointing, if more residents who could have helped had come forward, we could have had a tidier and cleaner village.

Many thanks to all who came and helped. Well done to all.

New Shop in the village

A new shop in Colchester Road has recently opened where the Blue Owl was previously.

It is called "Kitty-Rose". They sell clothing, cards, gifts and more.

They are open Monday to Saturday 9.30 am to 5pm.

Open spaces in the village

The open areas in the village, Poors Land, the Heath, Orpen Hall Field and the allotments have had their annual hedge cutting and bracken clearing.

The ponds in the village at Queen's Head, Lexden Road and Hall Road will have their autumn tidy-up in November. The Parish Council employs the services of The Conservation Volunteers from Essex.

We were surprised to see that someone had donated a large Koi carp to the Queen's Head Pond. This is not ideal as the carp will make short work of a lot of the wild life in the pond.

Anyone who would like to have a Koi carp for an ornamental garden pond would be welcome to get in touch.
