VILLAGE NEWS

Edition 6 - October 2012

Business Directory for Website

Currently there are many adverts in the Village Bulletin from local businesses and services. The Parish Council also has a very good website www.westbergholt.net that has recently had a commendation in the Essex Association of Local Councils' website competition. It has been suggested that it would be useful for village residents to be able to access information about local businesses and services on the website. Whilst the Parish Council cannot endorse any particular business, if you are interested in having your business included in this Business Directory on the website please contact:-

Murray Harlow on Tel: 07989 720 256 or by email - comms@westbergholt.net

Neighbourhood Planning

The opportunity of the new "Localism Act" enables villages to develop their own "Neighbourhood Plan". This would be used to highlight the assets of the village of West Bergholt and create a vision of how the village environment and its activities could be influenced in the future.

Villagers need to be involved in constructing this "Neighbourhood Plan". Contributions from a cross section of village society will be needed – please think about getting involved.

A Community Workshop is organised for the morning of :-

Saturday 24th November from 11am.in the John Lampon Hall

There will be a speaker from the Rural Community Council of Essex to explain the way forward for us. Refreshments will be available.

Watch out for poster adverts in the village for more information.
